How to Invest

To individuals and institutions that are experienced and have time to select and manage investments, this is no problem; but to those inexperienced, whose time is devoted to other things, the question arises, "What is the best security and which returns the largest income, combining the maximum of safety and profit and requiring the minimum of care and attention?"

It is acknowledged by experienced investors, both large and small, that Mortgages are the safest form of investment and provide a profitable income yield. This being determined, there only remains the selection of a reliable institution, experifrom which to purchase this class of investments.

Our organization, both in the field and in our offices, experienced and thoroughly competent. to select securities and care for investments, is of the best, and our years of experience make it possible for us to render to the investor the most efficient service obtainable.

Our loans are secured by the very best improved real estate.

Our service to investors includes the management of every detail in connection with the

Our mortgages range in amounts from \$500 to \$10,000 and we have a stock of them at all times in denominations convenient to the investor.
